Congratulations Anne Glenn, 40 Years of Dunwoody Rotary Service!

Matthew took a moment during the annual banquet to recognize Past President Anne Glenn's 40th anniversary with the club.

"I came to Rotary because the world I thought was mine disappeared and I was alone. I stayed in Rotary when I found a new community that became home. I will stay here as long as I can to make a difference for good in our world." — Anne Glenn, reflecting on her journey during a club "Member Moment."

Dunwoody Reaches $100,000 Mark in Lifetime Giving to End Alzheimer's

Thanks to the incredible success of our recent golf tournament, our club is proud to announce a donation of $20,000 this year to the Do What You Can to End ALZ campaign! This milestone contribution brings our lifetime donation giving *to over $100,000* in support of Alzheimer's research and family support services. Club members Bob O'Brien and Charlie Augello presented the ceremonial check to Dan Philips of the Georgia Alzheimer's Association. We extend our deepest gratitude to everyone who contributed, volunteered, and cheered us on—together, we are making a meaningful difference in the fight to end Alzheimer's.

Get Your New Rotary Pin Commemorating Rotary and 250th Anniversary of Our Nation

As we step into an exciting new Rotary year, our nation is also reaching an extraordinary milestone—the 250th anniversary of the United States. To honor this historic occasion and celebrate our shared commitment to both country and community, our new Club President has a special gift for every single member to celebrate this monumental milestone.

We are proud to introduce a beautifully crafted, limited-edition commemorative lapel pin. The design elegantly blends the American flag with the iconic Rotary wheel, anchored by our timeless and profound motto: "Service Above Self." It serves as a powerful reminder of how our dual values of patriotism and humanitarian service intertwine to build a better world.

Whether you are attending our weekly meetings, participating in a service project, or representing our club out in the community, we encourage you to wear this pin with pride.

How to get yours: If you have not already received your commemorative pin, please see Dave Burr at our next weekly meeting or fellowship event to collect it. We want to ensure every member has theirs as we celebrate this historic year together! Thank you for your continued dedication to our community, and let’s make this landmark year our best one yet.
